Adam Weber Leaves Edward Jones to Join The Fox Alliance Wealth Advisors of LPL Financial

AUSTIN, TX – [Winthrop & Co.](#) is excited to announce that Adam Weber has joined [The Fox Alliance Wealth Advisors](#), an independent team affiliated with [LPL Financial](#). After launching his advisory career with Edward Jones in 2016, Adam made the move to independence to offer clients a broader range of investment strategies and the freedom to deliver advice with greater customization and care.

Originally from Colorado, Adam graduated from the University of Northern Colorado with a B.A. in Mass Communications and a focus in Journalism. He moved to Austin in 2008 and has since built a reputation in the South Austin and Buda areas for being a thoughtful, relationship-driven financial advisor.

By joining The Fox Alliance in 2023, Adam aligned himself with a team that shares his values—client-first service, strong collaboration, and a passion for making a meaningful impact in the community.

“Joining The Fox Alliance has allowed me to better serve my clients while being part of a team that values long-term relationships and local connection,” said Adam.

Outside of the office, Adam embraces all that Central Texas has to offer. He enjoys hiking local trails with his German Shorthaired Pointer, Winifred, fly fishing the Guadalupe and San Marcos rivers, upland bird hunting, and planning meals to share with friends and family.

With this move to independence, Adam is continuing to deepen his relationships and broaden the opportunities available to the individuals, families, and businesses he serves.
